### Appendix 3

#### BLUEPRINT INTERVIEW SHEET FOR TEACHING IN MTS.

#### MATHOLIBUL H HUDA MLONGGO JEPARA

NO.	INDICATORS	NUMBER OF ITEM
1.	The kinds of techniques used by the teacher	1,2,5,8
2.	The supporting factors in applying the techniques.	3
3.	Inhibiting factors in applying the techniques.	4
4.	Students perception	6.7

## Appendix 4

### INTERVIEW SHEET FOR TEACHING IN MTS. MATHOLIBUL H HUDA MLONGGO JEPARA

Interview for the teacher is to get the information about the teacher's techniques in teaching reading comprehension with DewiAnizah, S.Pd The followings are the strategy.

NO.	QUESTIONS	ANSWER
1.	What are the techniques that you used in teaching reading?	I use some techniques depend on the materials especially in teaching reading comprehension. I using SQ3R and reading aloud techniques.
2.	How to use the techniques?	First I will provide text, such as descriptive text. Before students read the text I will ask some questions so that students can use SQ3R and reading aloud techniques.
3.	What are the supporting factors in a applying the techniques?	Any 2 supporting factors: first, internal factors from the students. If they have strong attention to the study automatically they have good motivation. The second is external factors depend on the

		media I use or depend on the passion of the student with the materials.
4.	What are inhibiting factors in a applying the techniques?	In inhibiting any several factors: students have lower vocabularies, and they have preception about English. I mean like this if I teach English and ask the student they can answer "we will not be asked in English when we died".
5.	What is your prepares before teaching to class ?	I should prepare lesson plan, media,materials. Because ifI used lesson plan can more easily in teaching.
6.	How the respond's of the students when you teach reading comprehension by using the techniques?	Students responses are very interested because the text that provide adjusts the interests and talents of the students.
7.	Do the students master in aspect of reading in implementing of teachniques that you accuse?	Of course, it can be seen from the di fference in the scores obtained by the students after I used the techniques.
8.	What is the media that you use in teaching reading comprehension?	I used LCD, sounds system, colour paper, etc.

**Appendix 5**
