

## **CHAPTER V**

### **CONCLUSION AND SUGGESTION**

#### **5.1 Conclusion**

In the Barack Obama's speech at Gates Foundation held in New York City on 20<sup>th</sup> September 2017. The theme was changing the world. There are five speech act classification that comprises of Declarations has 15 times (24,19%), Representatives has 19 times (30,64%), Directives has 11 times (17,74%), Expressives has 10 times (16,13%) and Commissives has 7 times (11,30%).

Based on the findings analysis of the script of Barack Obama's Speech, the highest speech act classification got in the speech is Representatives. It's frequency is 19 times (30,64%). The reason can be concluded from it is that Barack Obama often tells about the statements of facts and his presidency's achievements.
