

CHAPTER V

CONCLUSSIONS AND SUGGESTIONS

5.1 Conclusions

Based on the research findings, the writer concludes the results of the study as follows:

1. Students' writing achievement taught using Paper Puppet has the total mean score of pre test was 67.42, it was in inadequate category. The total mean score of post-test was 83.5, it was in very good category.
2. Students' writing achievement taught without using Paper Puppet has total mean score of pre-test was 67.16; it was in inadequate category. The total mean score of post-test was 73.66, it was in adequate category.
3. There were significant differences of the achievement in writing descriptive text of the eighth grade of MTs. Mamba'ul Ulum Mambak Pakis Aji between the students who were taught by using Paper Puppet and those who were taught without using Paper Puppet. It was proved by the result of t-test $>$ t-table ($8.812 > 1.671$). It showed that the result of the t-test is higher than the t-table ($8.812 > 1.671$).

The significant result above showed that hypothesis (H_a) is accepted. Thus, Paper Puppet is effective media in teaching and learning writing descriptive text of the eighth grade.

5.2 Suggestions

Based on the result of this research was indicate that there was positive effect of using Paper Puppet in teaching writing descriptive text, the researcher would like to give some suggestions in order to be considered in learning teaching English. The suggestions are proposed as follows:

1. To the English teacher

The writer hopes that this final project can be useful and become a reference to the English teacher that using Paper Puppet is more effective in teaching learning writing descriptive text. It will be better if English teacher finds out the interesting and unique media to students' need each

grade, for example teaching writing descriptive text using Paper Puppet in the first semester at VIII A class of MTs. Mamba'ul Ulum Mambak Pakis Aji in academic year 2017/2018.

2. To the students

Through using Paper Puppet as a media, it is hoped this media can give more idea in writing descriptive text to improve students writing skill. The students should be more attractive and creative to improve their knowledge and they should enriching vocabulary in their writing ability.

4. To the readers

By reading this final project, the readers should take information about paper puppet in teaching learning writing descriptive text. They should give more critics and good suggestion to make this final project to be better.

5. To the writer

The writer should improve her knowledge and experience to apply paper puppet not only in teaching writing, but also in teaching speaking, and reading.
